Twenty-eighth Sunday in Ordinary Time

The word of God is living and effective,

— *Hebrews 4:12a*

Parish Mission Statement

The Saint Teresa of Avila Parish is a diverse Catholic community of faith that embraces everyone, without exception. We see ourselves as uniquely able to engage in dialogue with people of all faiths and act as peacemakers in our city. Challenged by the Gospel, nourished by the Eucharist and inspired by the teachings of Saint Teresa of Avila, we are called to be witnesses of Christ's Love, for the salvation of all people.

We are a stewardship parish. Three percent of our operating income is shared with other missions.

Gifts

In today's readings, we discover that material wealth alone does not keep us from discipleship. We will see that there are other gifts more important than material wealth, but even so, it is how we use our gifts that matters most.

Today's scriptures point to the value of the gifts of wisdom, trusting in God, and letting our actions reflect the love of God from within. It is not gold that causes us to fall, but rather the desire for gold above all other things. From the readings in Wisdom and Hebrews, we find the source of God's gifts in our lives. Wisdom is more valuable than worldly possessions. In Hebrews, we are challenged to look at our own values and admit honestly what controls our lives.

Treasures from Our Tradition

Forty-nine years ago Pope John XXIII opened the Second Vatican Council with these challenging words: "Our duty is not just to guard this treasure, as though it were some museum piece and we the curators, but . . . what is needed at the present time is a new enthusiasm, a new joy and serenity of mind." As the participants in Vatican II proceeded with their deliberations, the first document they produced was the Constitution on the Sacred Liturgy, for they knew that it is from the liturgical life of the Church that everything else we do proceeds.

This seminal document, arrived at after much debate and approved virtually unanimously, set the tone for the entire Council to follow. It also set in motion the liturgical reforms that we are still implementing today. Perhaps no single phrase of the entire Vatican Council has had more influence on the life of the Church over the last half-century as the Constitution on the Liturgy's ringing declaration that "full and active participation by all the people is the aim to be considered before all else." — James Field, Copyright © J. S. Paluch Co.

Dones

En las lecturas de hoy, se descubre que la riqueza material por sí sola no nos impide ser discípulos. Veremos que hay otros dones más importantes que la riqueza material, pero aún así, es cómo usamos nuestros dones lo que más importa.

Las Escrituras de hoy señalan el valor de los dones de la sabiduría, la confianza en Dios y dejando que nuestras acciones reflejen el amor de Dios desde nuestro interior. No es el oro lo que nos hace

caer, sino más bien el deseo del oro por encima de todas las demás cosas. De las lecturas de la Sabiduría y de la Carta a los Hebreos, encontramos la fuente de los dones de Dios en nuestras vidas. La sabiduría es más valiosa que las posesiones mundanas. En Hebreos se nos reta a examinar nuestros valores y admitir honestamente lo que controla nuestras vidas. — Copyright © J. S. Paluch Co.

Tradiciones de Nuestra Fe

Existe en Perú un mural milagroso de la Pasión de Jesucristo. Esta imagen reconocida como el Señor de los Milagros, el Cristo Moreno o el Cristo de Pachacamilla fue pintada por un angoleño en el siglo XVII para una cofradía de africanos. A mitad del siglo un fuerte terremoto sacudió a Lima y las paredes de la cofradía se cayeron, sin que se dañara el mural. Eventualmente la imagen se reveló como milagrosa para los que oraban delante de ella.

En la imagen aparece Jesús crucificado. Sobre Él el Espíritu Santo y el Padre. A la derecha de la cruz está su Madre con el corazón traspasado por una lanza y a su derecha, el fiel discípulo amado. Esta imagen es venerada como el Señor de los Milagros. Sin saberlo el artista angoleño ha pintado una reflexión teológica sobre la divinidad y la humanidad de Jesucristo. En su pasión redentora Jesús abre las puertas del cielo y de la comunicación entre el cielo y la tierra, entre Dios y la humanidad representada por la Madre y el discípulo. — Fray Gilberto Cavazos-Glez, OFM, Copyright © J. S. Paluch Co.

Please consider which week you are available to help and sign up today on the sheet at the refreshment table in the Parish Center. You can also sign up online at st-teresa.net under the menu Religious Education, Family Service Opportunities. Talk to Lina or contact her at LHilko@aol.com or (312) 274-0705 if you have questions.

Centering Prayer: An Old Way to God

After a couple of sessions on prayer the Men's Spirituality Group decided to try an experience of "Centering Prayer." For many guys, centering prayer can be quite the challenge. Most of us are use to praying with words. Namely thanking God for something or someone in our lives or asking God for some special graces. We talk and God listens. Well, centering prayer reverses this flow of communication. God talks and we listen.

Many saints, including Saint Teresa of Avila, tell us that God is all around us. Scripture tells us that we are made in the "image and likeness of God." But do we see and recognize God all around us; do we experience the divine presence within us? This, in part, is what centering prayer is about: quieting one, utilizing a simple prayer word that is internally chanted over and over, letting our thoughts leave our mind as quickly as they enter, and listening and experiencing the divine presence within.

Our Director of Religious Education, Kate Lynch, led us through the experience. At the beginning of our session, Kate read a few things about centering prayer. Our Church's understanding of centering prayer is that it is an advanced stage of prayer. Kate also pointed to various resources that showed that Church leadership encourages the faithful to pursue and engage in centering prayer. Saint Teresa of Avila describes the activity in down to earth language, "Contemplative prayer is nothing else than a close sharing between friends; it means taking time frequently to be alone with him who we know and love."

There are many really good resources to acquaint oneself with centering prayer. Our Men's Group also learned that there are several churches in the area that offer centering prayer experiences. The road to such praying is not easy. There are challenges. But one thing is for sure, if we do nothing, then nothing will happen. We encourage you to join us in trying an experience of centering prayer.

**Join us for the next session of
Men's Spirituality Group
on Tuesday, October 23,
from 6:15 am to 7:30 am in the parish center.**

Lost Child Pilgrimage

Saturday, October 20

9:00 am. – 1:30 pm (8:30 am Check-in, Coffee)
Are you grieving the death of a child? The Shrine of Our Lady of Pompeii invites men and women to join us for this very special day of reflection, healing and hope. We welcome you or someone you know in the peace of Christ Jesus.

I Will Never Leave You—Experiencing Divine Love in Our Darkest Moments

Ours is a God who joins intimately with us in our suffering - not from on high - but very personally in the depths of our pain. Through grace, we can open ourselves to be filled with God’s presence even in the midst of our suffering - to be made strong as we honor and transform our great loss. Through the experience of Divine Love, we are invited to unite with God in deeper ways and to discover a place within where there is no boundary between *God with us* and *God within us*. It is here that we can find sustaining companionship and peace for the journey. www.ourladyofpompeii.org.

Help Bring Clean Water to Haiti

Sponsor Fr. Frank as He Walks the Camino de Santiago

In this country, we take so many things for granted. It is difficult for us to imagine living our lives without sufficient clean water. When we want water, all we have to do is turn on the faucet.

Imagine a poor country like Haiti where 40 percent of its 10 million people do not have access to a dependable supply of clean water, where the walk to the faucet is an average of 5 miles away, walking an average of 10 miles per day

for clean water.

Our goal is to raise \$20,000 for Haiti; this money will be used to build wells to provide clean and accessible water. If we raise more than our goal of \$20,000, that money will be used to provide healthcare for the people of Haiti.

All donations Fr. Frank raises through sponsorship of his pilgrimage will go to *Zanmi Lasanté* —Paris, a social justice agency who will have wells built in Haiti by

Haitian labor and fund other education and development in impoverished rural Haiti.

You can help. Sponsor Fr. Frank and bring clean, accessible drinking water to those that need it. To donate go to the Give Central QR code on the right or visit st-teresa.net and follow the link. Or call the St. Teresa of Avila office at (773) 528-6650 for more information.
