Parish Transformation Survey Update

Thank you to everyone who has filled out the Parish Transformation survey! We are currently up to 101 responses! That's a big jump from last week's number of just 36. The largest category of respondents is ages 30-39 followed by 18-29. Twice as many women have responded than men.

Of the 585 people attending Mass each week, our hope is that at a *minimum*, roughly 1/3 will take the survey. The Parish Transformation team will evaluate the responses from the surveys to better understand how we can improve and grow as a community. The more surveys completed, the better.

We will begin the Parish Transformation meetings on Wednesday, March 2nd at 7pm in the parish center. I encourage anyone interested to attend this initial meeting and further discern if you are being called to participate as part of the team. You may also speak to me or contact the parish office for more information.

Fiscal Year (07/01 - 06/30) Comparison to Date

- In the graph above you will see that we have not yet met our budgeted expenses with our Sunday collections. We are on budget with our total income, versus expense. Total income includes Sunday collections, Christmas, Easter, fundraising, and miscellaneous donations
- Our goal is to fund all operations and expenses from the weekly collections.
- St. Teresa's annual fundraisers assist in meeting funding gaps. It is the Finance Council's and Fr. Frank's goal to increase weekly giving to meet our ongoing expenses, and use the proceeds from fundraisers to fund special initiatives and outreach programs of the Parish.
- Please contact the Business Manager, Erica Saccucci with any questions at esaccucci@stteresaparish.org, or Matt Donner, our Finance Council chair. Our financials are also available on our website at www.st-teresa.net.
- The next Finance Council meeting is on February 15th at 7:00pm.

Please help us remain financially stable during the rest vacation season by maintaining your financial commitment to the parish. Automated giving through Give Central is an easy way to ensure our collections do not dive when attendance is low. If you have already signed up for automated giving, please be sure your credit card information is up to date. Call the office at (773) 528-6650 to get help or offer to take us on vacation. Treasures from Our Tradition

For the first four centuries or so, there seems not to have been a sense of marriage as a church institution. Christians followed civil law, which kept the wedding in a family setting. Bishops wanted people to be good citizens insofar as possible, and so they recognized the government's role in marriage. In general, they expected Christians to know that marriage was good, that marriage to other Christians was best, and to take it easy on the wild wedding parties. They agreed that marriage was a divine institution, that Christ blessed it especially, and they loved referring to the miracle at the wedding feast of Cana. Still, even when Christianity became the official religion of the empire in 380, marriage remained a family matter.

On wedding days people gathered in the bride's house, where the father would "give her hand" to her husband, draping a garland of flowers over the couple. There were no official words to say, there was no blessing to be given. Everyone walked in procession to the bride's new home for the concluding rites and the feast. In the Eastern Empire, it soon became customary to invite a priest or bishop to give a blessing at the meal or the day before. It was a nice thing to do, completely optional, but had a "photo-op" feel to it that was widely emulated. Before long, at least in the East, it looked as if the priest were joining the couple in marriage and blessing the union. — Rev. James Field, Copyright © J. S. Paluch Co.

Tradiciones de Nuestra Fe

En muchos hogares latinos el tiempo de Navidad terminó el día dos de febrero con la levantada del Niño Dios en la fiesta de la Candelaria. Es interesante como el pueblo cristiano tiene un cierto afecto para Jesús en su aspecto de niño. Desde hace siglos con el evangelista Lucas y la virgen María la imaginación cristiana ha ido buscando al Divino Niño en el templo; con san Cristóbal lleva cargando al Niño Dios sobre los hombros mientras cruza el río de la vida y san Antonio de Lisboa juega con el Niño Jesús sobre un libro teológico mientras estudia la Palabra de Dios.

Fueron los monjes cistercienses del siglo XII quienes primero desarrollaron esta devoción al Niño Jesús. En su afán por conocer mejor al Dios hecho humano entraban por medio de la meditación imaginativa en los cuatro evangelios. Esta meditación es un entrar en la vida de Jesús de tal manera que vives los eventos en tu corazón y desarrollar así una relación afectiva con el Señor. La devoción al Niño Dios debe ser acompañada de la *lectio divina*. — Fray Gilberto Cavazos-Glz, OFM, Copyright © J. S. Paluch Co.

The Great Hymn to Love

El Gran Himno al Amor

It is doubtful that Saint Paul, when he sat down to write what we now know as the thirteenth chapter of First Corinthians, knew that he was penning what was to become one of the keystones of Christian ethics. In this brief passage, he set down ideals about love that have held fast through the centuries. Sometimes we may think that because these are ideals to which we aspire, we are excused from them in our daily living.

But what Paul was writing was a letter to his friends, providing them with some sound advice about what it meant—and still means—to live in love, day by day, as a follower of Christ. We find in his words to his friends a broadening of the great commands of Jesus to love God and neighbor. Today we hear what this love must look like in our own actions, and how it ought to guide our relationships with others. Copyright © J. S. Paluch Co.

© J. S. Paluch Co., Inc.

Cabe dudar que, cuando san Pablo se sentó a escribir lo que ahora conocemos como el capítulo trece de la primera carta a los corintios, supiera que lo que estaba escribiendo se convertiría en una clave principal de la ética cristiana. En este breve pasaje, ha consignado ideales sobre el amor que se han mantenido firmes en el transcurso de los siglos. A veces pensamos que porque estos son sólo ideales a los que uno aspira, estamos libres de no practicarlos en nuestra vida diaria.

Lo que Pablo estaba escribiendo era una carta a sus amigos, dándoles buenos consejos sobre lo que significaba —y todavía significa— vivir en el amor, día a día, en seguimiento de Cristo. Encontramos en las palabras a sus amigos una ampliación del gran mandamiento de Jesús de amar a Dios y al prójimo. Hoy en día escuchamos cómo este amor debe expresarse en nuestras acciones, y cómo debe regir nuestras relaciones con los demás. Copyright © J. S. Paluch Co.

Annual Catholic Appeal for 2016 Begins

The earliest disciples heard the words of Jesus, and so do we. Centered on Jesus and bonded by His word, we make up the Catholic Church — the Body of Christ — in the Archdiocese of Chicago.

We have known the gifts of God in our lives, beginning with God's call and love given generously to each one of us. God's generosity to us prompts us to support those in need and to support the Church herself, for she connects us to Christ and has been a rich source of blessing for us and so many others.

Each year the Archdiocese of Chicago reaches out to the Catholic Faith Community and asks for support for the schools, programs, agencies, and ministries that serve the educational, physical, and spiritual needs of our people.

Your gift provides the much-needed financial resources to help advance the mission of the Church in Chicago.

www.AnnualCatholicAppeal.com

Many of you have responded to the Annual Catholic Appeal mailing from Archbishop Cupich. On behalf of those served by the ministries and services funded by the ACA, we thank you for your gifts. If you received the mailing and have not responded, please do so as soon as possible.

In this Jubilee Year of Mercy, Pope Francis asks us to understand God's mercy in our own lives and then to be the hand of mercy for others. The ACA offers a wonderful opportunity to extend God's mercy to many others.

In addition to providing for ministries and services throughout the Archdiocese, the Appeal also funds ser-

vices that are of great help to ministries here in our parish. For example, Appeal funds support SPRED (Special Religious Education), Catholic Relief Services, and many more.

As we contemplate God's many gifts to us, we should also reflect on our gratitude for these gifts. Your financial support for the work of our parish, our Archdiocese and the Church throughout the world is, in fact, one way to express this gratitude. Please give generously to the 2016 Annual Catholic Appeal.

When our parish reaches its goal of \$32,998 in paid pledges, 100% of the additional funds received will be returned to us for use in our parish.

Our Mission Saint Teresa of Avila Parish is a diverse Catholic community of faith that embraces everyone, without exception. We see ourselves as uniquely able to engage in dialogue with people of all faiths and act as peacemakers in our city. Challenged by the Gospel, nourished by the Eucharist and inspired by the teachings of Saint Teresa of Avila, we are called to be witnesses of Christ's Love, for the salvation of all people. We are a stewardship parish. Three percent of our operating income is shared with other missions.
